Here's how to get 3 to 5 times more information from each spread you cast right now: Ask better questions, do all of your pre-spreadwork, and verify the accuracy of your spread before you start making any predictions. *Advanced Tarot Secrets* illustrates, step-by-step, how to do all of this. You are about to learn how to spot patterns in spreads, find spreads hiding in the spreads you already use, and how cards interact with each other. This book reveals the advanced spread techniques and trade secrets used every day by the top psychics in the world. It is a how-to-do-it handbook for the professional who charges \$100 to \$1,000 an hour to wealthy clients who expect results. These skills are essential if you are going to read for celebrity or corporate (or government) clients. Improve your accuracy and strengthen your intuition by practicing the 11 new exercises and playing the 6 new games detailed in this book. You will learn how to: Find lost items and missing people with the Tarot Manifest practically anything you desire out of thin air using your cards Read the distant past (and future); great for solving mysteries—and crimes Solve problems and brainstorm with the Tarot Overcome writer's block and master storytelling in the section specifically for authors The Tarot is not a parlor game. In the hands of a master it is a research tool used to read the future and rewrite the events to be. This book is the official textbook for the House of White mystery school and it will take your readings to a level of mastery that puts you head and shoulders above most Tarot readers you will ever meet. There is no guesswork involved with the Tarot, or this book. There are time-tested techniques that work, and it is time that you learn and use them. *Advanced Tarot Secrets* picks up from where *The Easiest Way to Learn the Tarot—Ever!!* left off. You build on the knowledge you already have to deepen your bond with your cards and make them reveal layers of information from the same exact spreads you are using right now. We start you off by learning and doing new exercises, all designed to strengthen your intuition. These simulate the exact methods you use in “real life” readings, and make you infinitely more comfortable reading for other people. Next we introduce you to 6 new games that teach you how to see the various layers of meaning each card offers, and how cards interact in a spread. These games help you understand how the Tarot reflects the intricacies of daily life: In a simple ten-card spread you can see more details than three other people reading the same spread. Next come advanced spread basics and advanced spread techniques. Here you apply everything you learn in the exercises and games: Quick and easy ways to clear your deck between clients (useful at parties or working psychic fairs and hotlines) Why every spread needs a protagonist How to instantly verify the accuracy of your spread (no more bad readings—ever) How to modify your favorite spread to meet your needs for each reading Hidden spreads, spread patterns and themes, the four passes through a spread every reading should have When to use clarification or expansion cards, how to read cards face down—and why How to

give accurate "no-spread readings" And several other advanced techniques  
Once you understand all of these things, you can dowse with the Tarot, work on archaeological expeditions, work for treasure hunters, work with stock analysts to predict economic trends, remote view (we don't call it "spying"), solve any problem, design your own spreads and decks, and charge a LOT more for your services. Advanced Tarot Secrets is not "yet another book on the Tarot," it is a Tarot revolution. This book frees you from the limitations of old worn-out techniques that create no

Nevada, 1869: Beyond the pitiless 40-Mile Desert lies Golgotha, a cattle town that hides more than its share of unnatural secrets. The sheriff bears the mark of the noose around his neck; some say he is a dead man whose time has not yet come. His half-human deputy is kin to coyotes. The mayor guards a hoard of mythical treasures. A banker's wife belongs to a secret order of assassins. And a shady saloon owner, whose fingers are in everyone's business, may know more about the town's true origins than he's letting on. A haven for the blessed and the damned, Golgotha has known many strange events, but nothing like the primordial darkness stirring in the abandoned silver mine overlooking the town. Bleeding midnight, an ancient evil is spilling into the world, and unless the sheriff and his posse can saddle up in time, Golgotha will have seen its last dawn...and so will all of Creation. R.S. Belcher's *The Six-Gun Tarot* is "an astonishing blend of first-rate steampunk fantasy and Western adventure." (Library Journal, Starred Review)

In this pioneering scholarly work on occult symbols in literature, the reader is offered a vivid look into how W.B. Yeats, T.S. Eliot, and Franz Kafka-three

masters of symbolic expression-utilized Tarot cards in their poetry and prose. Focusing on the Tarot's ancient associations with divine knowledge, its pictorial representation of both the Jewish and Christian Cabala, and the Tarot's more recent pedestrian affiliation with the occult, June Leavitt skillfully demonstrates how Yeats, Eliot, and Kafka align themselves in their uniquely individual ways with the Tarot symbols' mapping of reality. Paying close attention to the mystical nuances of the Tarot, Ms. Leavitt shows how Tarot symbols allow for radically new readings of the texts in which they are situated, and play a transformative role in the three writers' search for God. This search remained indecisive for Kafka, resulted in Eliot's conversion to Anglo-Catholicism, and went hand in hand with Yeats' passion for pagan gods and angels. **\*\*ATTENTION! MAJOR UPDATE!** I've added more information to this book, including symbols and colors in the Tarot cards and five sample layouts along with interpretations. I initially wanted to keep the book very basic and to not get real complicated. However, I realize there are some readers that want to become more immersed in the Tarot cards, so I felt I would provide more in depth details. Now you will find chapters on colors in the Tarot and symbols in Tarot cards. I personally don't use them in my readings but maybe many of you will want to! I also listened to the readers who were kind enough to write reviews, and it seemed as though some were disappointed because there were no "examples" of layouts in the book. So I took some pictures of five layouts and explained them the best I could. Unfortunately, they are printed in black and white since color would have tripled the cost of the book. Sorry... Please remember I'm not a professional photographer, so they might look amateurish. That's because they are! ----- Original Description: Are you confused, frustrated and/or fed up with so many tarot card books that have long explanations and meanings and then reversed meanings as you are attempting to learn how to read your tarot cards? So was I way back in 1975 when I first

delved into the world of tarot cards. Then in 1983 I went to a reader and was fascinated by her interpretations of the cards. They were different from all the meanings I had seen in other books. I attended her exclusive invitation-only class and learned HER way! I decided to take those lessons and gather them together. The result is this little book that is power packed with information...no fluff, no illustrations, and no long-winded explanations. It's a unique blend of esoteric tarot meanings combined with astrology and numerology. I've included a few "lessons" on astrology in the event you aren't familiar with the zodiac. The included numerology explanation is fairly simple. Katie

Beloved literary iconoclast Michelle Tea reinvents tarot for a new generation in this guide to using the Tarot as a twenty-first-century tool for connecting with our higher selves. Long before Michelle Tea was winning awards for her poignant memoirs, she was a scrappy misfit on the streets of San Francisco, supporting herself by giving eerily prescient tarot readings. As her reputation as a writer grew, she stopped publicly reading the Tarot, though she never stopped doing it privately. Based on over twenty-five years of experience and a deep and abiding love of the cards, *Modern Tarot* brings the full force of Tea's unique insight, inviting pop sensibility, and wicked humor to bear on the tradition of the Tarot in a fascinating journey through the cards that teaches us how to use this tradition for radical self-growth. Whether you're a dyed-in-the-wool seeker or a digital-age skeptic—or a little of both—the power of tarot is open to you. *Modern Tarot* doesn't require you to believe in the supernatural or to focus narrowly on using the tarot as a divination tool. Instead, it offers fiercely insightful descriptions of each of the seventy-eight cards in the tarot system (each one fully illustrated by Amanda Verwey) and specially designed rituals to guide readers on a path toward transformative personal growth. Grounded in Tea's decades of tarot wisdom and personal experience, this is a guide that beginners will fall in love with and experienced readers will learn from anew. With her trademark one-of-a-kind insight and wit, Tea shows how tarot offers moments of deep,

authentic connection during a time when “connection” is ubiquitous but rarely delves beneath the surface—and how the affirming and personal nature of the Tarot offers a spiritual experience that is gentle, individual, and aspirational.
