Listen to Hip Hop! Exploring a Musical Genre explores non-rap hip hop music, and as such it serves as a compliment to *Listen to Rap! Exploring a Musical Genre* (Greenwood Press, Anthony J. Fonseca, 2019), which discussed at length 50 must-hear rap artists, albums, and songs. This book aims to provide a close listening/reading of a diverse set of songs and lyrics by a variety of artists who represent different styles outside of rap music. Most entries focus on specific songs, carefully analyzing and deconstructing musical elements, discussing their sound, and paying close attention to instrumentation and production values—including sampling, a staple of rap and an element used in some hip hop dance songs. Though some of the artists included may be normally associated with other musical genres and use hip hop elements sparingly, those in this book have achieved iconic status. Finally, sections on the background and history of hip hop, hip hop's impact on popular culture, and the legacy of hip hop provide context through which readers can approach the entries.

INCLUDE BONUS NOVELLA FOR A LIMITED TIME ONLY From K.A. Berg and T.E. Black comes a story of the forbidden desire—a story so delicious you'll need more than *One Taste*. *One Taste* Sebastian – I live a good life. I'm successful, the CEO of the advertising firm my father built from the ground up. I've been deemed a god in the sheets by the female population of New York City and have the equipment to match. Life is great. Until my social life messes with my professional life. I've become a frequent flyer on the gossip pages—a detriment to business. Just as my perfect life is starting to crash down around me, I meet her. All I wanted was a taste, but I got much more than I bargained for. Devin – Seven years is a long time, but it's good to be home. I've missed this place and the people in it. I'm living with my best friend, I landed a great job as an Interim CEO which will look great on my resume, and I hooked up with a hot guy I met at a bar. Life couldn't get much better. That is until I report to my first day at my new job and standing behind the desk waiting for me is the man I spent a sex-crazed night with. He devours me with his eyes letting me know things between us aren't over. Except, he doesn't get to make that decision; I do. But, I no matter how hard I try, I can't seem to stop this disaster from happening. *One Regret* Sebastian – Who would have thought the woman who consumed me after only one night would wind being the new Interim CEO of my company? It was my sister's doing, but it doesn't change that she's here, right in front of me. She wants nothing to do with me, and I want nothing more than to claim her, make her mine. All I want is to worship her like the queen she is, but she's more interested in fighting the attraction between us. Too bad for her I can play this game better than her, and I play to win. Devin – Life just got a lot more complicated and one night of fun has turned into regret real quick. Sebastian Brooks stole a small piece of me our night at the hotel, and I

haven't been able to take it back as hard as I've tried. I want to be with him, but I'm not sure if what I stand to gain is more than what I stand to lose. What will happen if I choose him over everything I've worked for? He'll still own a company, but I, however, could be committing career suicide. I want him so badly. I want us and the way we fit together seamlessly, but there are many reasons why we shouldn't do this. The doubts linger in the back of mind, and when unforeseen circumstances crash into us, it leaves me questioning everything, yet he keeps me coming back. One Love Sebastian – Devin warned me what would happen if we kept sneaking around together, but I was sure I could control it. I was being selfish when it came to her. I wanted her and that was it. My mind was set and I was on the path to winning her heart, until everything blew up in our faces. I caused pain to the one woman I promised to protect, and now I have to figure out how to make it all right. There's nothing worse than seeing the look of fear on her face as the seriousness of our reality falls down on her instead of me. One thing no one counted on, though, was just far I'd go to save her. I'd walk through fire to keep Devin from living out her worst nightmare. Devin – I've never felt so many emotions for one person before in my life. Love. Anger. Sadness. Jealousy. It's all there. It's a constant up and down when it comes to Sebastian and me. He's confident he can fix it all, while I'm still trying to get over my own fears. Except those fears become reality in the most terrifying way. We've been through things most people only read about. All we want to do is love each other, but someone else has other, more gruesome, plans for us

INSTANT NEW YORK TIMES BESTSELLER A laugh-out-loud funny look at pop culture and social media stardom from one of the most popular funemployed millennials today, perfect for fans of Next Level Basic and The Betches. As the creator of the breakout Instagram account @GirlWithNoJob, Claudia Oshry has turned not wanting an ordinary career into a thriving media company and pop culture-focused podcast and morning show. The origins of her pop culture obsessions can be traced back to household debates over boy bands, and her flair for the dramatic to her young emulation of Blair Waldorf. When she started @GirlWithNoJob, Claudia entered that world herself as a social media influencer, sharing her unbelievable—and unbelievably awkward—encounters with some of her favorite A-listers as she navigates her incredible access. Now, in this juicy, behind-the-scenes look at the life of an Instagram sensation, Claudia leaves nothing out as she contemplates staying true to yourself while hustling in today's digital culture. The Emmy-winning TV judge and host of Cristina's Court delivers her no-nonsense verdict on what it means to be an American in today's divisive climate. The diversity that America was founded on is being turned on itself. Instead of celebrating our differences, we're using them as lines of attack. America is splitting along political, gender, color and cultural lines, battling over issues like racism, immigration, law enforcement, and even patriotism itself. If we allow these culture wars rage on, what type of American identity will we leave for the next generation? In *Red, White, and Latina*, television judge and proud American Latina, Cristina Pérez dissects these issues and proposes a new unified outlook for America based on common sense, common values, and common ground. She delivers a no-holds-barred and non-biased look inside the most heated conversations in America today, examining the headlines, evidence, and hearsay, before delivering her verdict for each one.

Ils n'ont rien en commun... sauf le désir. Casey est l'étoile montante du freefight, en chemin pour les Jeux olympiques. Il est implacable, tourmenté et mystérieux. Aria est nageuse, déterminée et tendue vers un seul but : remporter les Jeux. Entre eux, c'est électrique et puissant dès le premier regard. Céder au désir, c'est une évidence. Admettre ses sentiments ? Ce sera la plus grande épreuve de toutes ! *** – Merde, Aria, souffle-t-il en passant son bras dans mon dos pour m'attirer d'un coup sec contre lui. Son érection se cale sur mon bas-ventre. Je ne respire plus, ne pense plus, n'obéis plus à aucun commandement de ma conscience. Comment peut-il gagner si vite ? Sa main libre englobe ma joue et passe dans mes cheveux qu'il empoigne pour m'imposer de basculer la tête en arrière. Je suis prise au piège, comprimée contre son corps bandé, pourtant je n'ai pas peur. Non, ce n'est pas de la peur, seulement de l'appréhension, de la surprise... de l'impatience contenue. Tandis que ses yeux

détaillent minutieusement les courbes de ma bouche, sa mâchoire se crispe. Une déferlante de frissons prend d'assaut ma peau, mes muscles, mes organes. Je vrille, je me noie, je... – J'ai sauvagement envie de toi, articule-t-il. Mon entrejambe s'enflamme. S'il savait à quel point j'en ai envie aussi, à quel point je me déteste de ressentir ça alors que je ne devrais penser qu'aux Jeux, aux médailles... à ma promesse. – Mais tu peux partir, murmure-t-il en délaissant mon dos pour venir effleurer mes lèvres de son pouce. *** Savage, de Sonia Eska, histoire intégrale.

Winner of The People Choice Awards (Fiction) 2019 for Best Diverse Books. When "Gossip " meets "Pretty Little Liars" and had a kid with "Sherlock Holmes". That kid is "The Bad Nerd Boy". "You know my secret now. That's really bad, Summers." He smirked. That nerd smirked! And call me crazy but at this moment, he looked goddamn hot. "I won't tell others." I blurted the words out, hoping it gave the assurance he needed so he would let me go because even though he looked damn hot, he also looked dangerous. Trying to stop myself from trembling, I bit my lips. His eyes caught the movement and he bent forward, filling my nostrils with the smell of dope he smoked earlier. Tilting his head, he clicked his tongue and smiled. "Wrong move." With that, he slammed his lips against mine, knocking all the air from my lungs. He kissed me with no mercy. His tongue slipped at the seam of my mouth, and my mind went blank when I felt the tip of his tongue caressing mine. Pulling away he watched me with a mischievous look on his face as he said, "now I'm going to be yours."

The New York Times articles collected in this volume trace the careers of these four young stars as they grew into adulthood in the spotlight, examining how they have each worked to establish and challenge the teen star archetype. A glossary and media literacy terms and questions are also included to engage readers.
