According to author Geri Scazzero, becoming an emotionally healthy woman begins by quitting eight unhealthy ways of relating. When you stop pretending everything is fine and summon the courage to quit that which does not belong to Jesus' kingdom, you will be launched on a powerful journey---one that will bring you true peace and freedom. Traditional Chinese edition of Bless This Mouse by Lois

"Are our schools safe?" It's hard to turn on the news without hearing this question, and the answer is typically "no." This novel explores what happens when bullying escalates to violence, and it challenges our definition of victimization. With thought-provoking prose, Suzanne Phillips explores the psyche of Cameron, a bullied freshman who ultimately does the unthinkable: he kills another student. As she did with Chloe Doe, Suzanne has found a way to make this seemingly dark story ultimately redemptive. But she also dares readers to look at the behavior that provokes violence as having the potential to be as dangerous as the violence itself. It's Suzanne's hope that Burn will inspire readers to take a precautionary stance against bullying rather than waiting to react to it.

I'm still two girls living inside one skin... My soft center is the Chloe I was born to be; the outer shell, as thick as armor, is the girl I was forced to become. The place they send seventeen-year-old Chloe Doe is better than where she was. Better than the streets, or so she's told. The

Madeline Parker Institute for Girls is the place that can change her-- that is, if she can let go of the past that has nearly destroyed her. Inspiring in her ability to overcome, Chloe Doe is poised to show the power of perseverance and, above all, hope.

Ma Xiaotiao series by Yang Hongying, China's most popular children's writer. Ma Xiaotiao is a sprightly little kid who often gets himself in trouble. If he had to sit next to a girl, Ma would like to sit next to Xia. Xia is the student leader of the school. Her attention is on school business, not Ma's antics. She's always paying attention in class, not what Ma's doing. But even if she did see what Ma does, Ma doesn't really mind. Because Xia doesn't laugh at the eccentric stuff Ma does. In Simplified Chinese. Distributed by Tsai Fong Books, Inc.
