city. DK Eyewitness Tokyo Travel Guide- showing you what others only tell you. This prize-winning book is both an illustrated tour of a Tokyo rarely seen in Japan travel guides and an artist's warm, funny, visually rich, and always entertaining graphic memoir. Florent Chavouet, a young graphic artist, spent six months exploring Tokyo while his girlfriend interned at a company there. Each day he would set forth with a pouch full of color pencils and a sketchpad, and visit different neighborhoods. This stunning book records the city that he got to know during his adventures. It isn't the Tokyo of packaged tours and glossy guidebooks, but a grittier, vibrant place, full of ordinary people going about their daily lives and the scenes and activities that unfold on the streets of a bustling metropolis. Here you find business men and women, hipsters, students, grandmothers, shopkeepers, policemen, and other urban types and tribes in all manner of dress and hairstyles. A temple nestles among skyscrapers; the corner grocery anchors a diverse assortment of dwellings, cafes, and shops—often tangled in electric lines. The artist mixes styles and tags his pictures with wry comments and observations. Realistically rendered advertisements or posters of pop stars contrast with cartoon sketches of iconic objects or droll vignettes, like a housewife walking her pet pig, a Godzilla statue in a local park, and an urban fishing pond that charges 400 yen per half hour. This very personal guide to Tokyo is organized by neighborhood with hand-drawn maps that provide an overview of each neighborhood, but what really defines them is what caught the artist's eye and attracted his formidable drawing talent.

Florent Chavouet begins his introduction by observing that, "Tokyo is said to be the most beautiful of ugly cities." With wit, a playful sense of humor, and the multicolor pencils of his kit, he sets aside the question of urban ugliness or beauty and captures the Japanese essence of a great city in this truly vital portrait.

A book for comic lovers and Japanophiles of all ages, *Diary of a Tokyo Teen* presents a unique look at modern-day Japan through a young woman's eyes. Born in Tokyo to a Japanese mother and an American father in 1997, Christine Mari Inzer spent her early years in Japan and relocated to the United States in 2003. The summer before she turned sixteen, she returned to Tokyo, making a solo journey to get reacquainted with

her birthplace. Through illustrations, photos, and musings, Inzer documented her journey. In *Diary of a Tokyo Teen*, Inzer explores the cutting-edge fashions of Tokyo's trendy Harajuku district, eats the best sushi of her life at the renowned Tsukiji fish market, and hunts down geisha in the ancient city of Kyoto. As she shares the trials and pleasures of travel from one end of a trip to the other, Inzer introduces the host of interesting characters she meets and offers a unique—and often hilarious—look at a fascinating country and an engaging tale of one girl rediscovering her roots. **Listed as a 2016 Great Graphic Novel for Teens by the Young Adult Library Services Association**
