

## Hvac Engineers Salary

Whether an executive is seeking a position at a microbrewery or SAP software consulting firm, The Directory of Executive Recruiters has the contacts who can make or break a job search. Known to insiders since 1971 as the Red Book, the 1999 edition contains detailed information on over 11,000 recruiters at more than 6,100 offices in North America. Executives can easily identify recruiters who can best match their skills and interests to open positions using the extensive indexes: industries, functional expertise, geographic locations and individual recruiter specialties (455 areas). Includes free CD-ROM with advice on working with recruiters.

Whether an executive is seeking a position at a microbrewery or SAP software consulting firm, The Directory of Executive Recruiters has the contacts who can make or break a job search. Known to insiders since 1971 as the Red Book, the 2003 edition contains detailed information on over 14,700 recruiters at more than 7,800 offices in North America.

Presents opportunities for employment in the field of engineering listing more than eighty job descriptions, salary ranges, education and training requirements, and more.

Heating Ventilation and Air Conditioning by J. W. Mitchell and J. E. Braun provides foundational knowledge for the behavior and analysis of HVAC systems and related devices. The emphasis of this text is on the application of engineering principles that features tight integration of physical descriptions with a software program that allows performance to be directly calculated, with results that provide insight into actual behavior. Furthermore, the text offers more examples, end-of-chapter problems, and design projects that represent situations an engineer might face in practice and are selected to illustrate the complex and integrated nature of an HVAC system or piece of equipment.

People holding HVAC jobs are concerned with climate-control systems that keep individuals warm in the winter, cool in the summer, and breathing the freshest air possible year-round. Those who enjoy working with their hands and solving problems can find a challenging position in the HVAC industry. Whether it is as an installer, mechanic, master technician, drafter, design engineer, or refrigeration maintenance technician, readers learn that if they choose to work in these jobs they will have salaries, compensation packages, and other benefits that are among the highest and best in the construction trades. Students will discover that they can jump-start a career in high school and are offered an in-depth look at how to acquire the pertinent skills, knowledge, apprenticeships, certifications, and employment in a field that is always in need of well-trained, enthusiastic workers. It also provides an overview of education options, including distance learning, community colleges, and vo-tech schools and an interview with an HVAC engineer.

Whether you want to spend your days outside leading tours or in the kitchen preparing delicious meals for customers, the travel and hospitality industries offer a diverse array of career opportunities.

Hispanic Engineer & Information Technology is a publication devoted to science and technology and to promoting opportunities in those fields for Hispanic Americans.

The famous Red Book is the authentic source job-seekers trust when making career moves. Published since '71 & updated annually by a full-time research staff, this definitive guide to working with "headhunters" profiles over 4,300 firms. Listings include full contact information with fax numbers, e-mail addresses & web sites. Recruiting firms are easily targeted by industry, management function & geographical areas in the detailed indexes. In addition, over 12,000 individual recruiters are grouped by their specialty niche areas, making it easy for users to find the right recruiter. A free CD-ROM is included with tips on making a career move & strategies for working with recruiters. Mentioned in The Kiplinger Washington Letter, Marilyn Mcats Kennedy's Career Strategies, National Business Employment Weekly, Forbes, What Color is Your Parachute?, Knock 'Em Dead & featured on CNBC. Called "The bible of the executive recruiting business," in Sylvia Porter's Personal Finance Magazine.
