Cleburne County and Its People is a historical account of Cleburne County and the men and women who made it what it is today. These men and women were as diverse as the Ozark Mountain's rock-laden landscapes. The pioneers who settled Cleburne County were as strong as the land, of hardy pioneer stock, and bold in thought and action. They were shrewd, strong-willed individuals who brought staunch beliefs and strong disciplines with them and settled in an untamed wilderness which became Cleburne County. Cleburne County and Its People has drawn from the past and the present--chronicling the lives of settlers facing hardships and tragedies, discovering profound beauty, mastering vast natural resources, and formulating democratic ideals. The stories in this book are honest interpretations of the human experience intertwined with the old and the new and adding exciting dimensions to the county and Cleburne and the state of Arkansas. The objective of Carl J. Barger, the compiler of Cleburne County and Its People, is to preserve a history of the county of his birth for students, historians, and all of the citizens of Cleburne County. Carl J. Barger is the author of Swords and Plowshares, a Civil War love story, and Mamie, an Ozark Mountain Girl of Courage, a story of the Ozark Mountain People, set in Cleburne and Van Buren Counties.

Chronicles the achievements of over twenty-one thousand African Americans.

A list of legends is significant not only for who makes the list, but who gets left off of it. If there are no obvious omissions, then the list of candidates was probably less than legendary in the first place. Not so in the case of the Syracuse University Orangemen. Calling roll on Syracuse's all-time basketball greats can take up the greater part of a day. The school produced its first All-American, Lewis Castle, in 1912. Most recently, Carmelo Anthony, one of the best freshmen to ever play college basketball, led the 2003 Orangemen to the school's first NCAA championship. In between there were legends such as the incomparable Dave Bing, Roosevelt Bouie, and Louis Orr, who together formed the Louie and Bouie Show, along with names like Derrick Coleman, Sherman Douglas, Lawrence Moten, and John Wallace. Legends of Syracuse Basketball features 24 players, one coach, and one special team. Within the book's pages are stories straight from the legends' teammates, their coaches, and the legends themselves. Of the players mentioned, 17 played in the NBA. More telling of the greatness of the Syracuse University basketball program is the fact that 10 Orangemen who played in the NBA did not make this list of legends. The same is true of record holders, All-Americans, and more fan favorites than are possible to count.

Lenny Puddock writes of his experiences as a Chicago Cub during the 2011 baseball season. Puddock is a 32-year-old physical therapist for the Indianapolis National Institute of Fitness and Health who attended Randy Hundley's Fantasy Camp. Part of the Fantasy Camp experience is his developing friendship with Gertrude Castellano, a waitress who becomes a singing star. They romance at a distance. Puddock is invited to the Cubs' Spring Training after an outstanding performance at the Camp. The Cubs offer him a contract with the Daytona Class A team and he accepts. Puddock is moved up to Class AA Tennessee in mid-May and is called up to the Cubs in mid-July. He was batting .378. In mid-August Mike Quade resigns as manager. Ryne Sandberg, who had an escape clause in his contract with a Phillies Minor League team, becomes the Cubs manager. When Puddock joined the parent club, the Cubs were 10 1/2 games out of first place. By the end of August they are four from the Wild Card spot. In the waning days of August the roster was two short due to injuries. Sandberg did not want to disrupt the Iowa or Tennessee playoff-bound teams, so he activated Greg Maddux and himself, thinking the roster had to contain the maximum 25 players. Plans were to activate two players before the August 31 midnight deadline but due to an intern's goof not recognizing the difference in Eastern Standard Time and Central Standard Time, the move came too late. In essence the Cubs would have only a 23-player Post-Season roster. The Cubs win their Division and League playoffs and enter World Series for the first time in 76 years. In an amazing ninth inning of the seventh game, the Cubs win the Series.

What Christian was named the greatest coach in the history of team sports by Sporting News Magazine? Can you name the Christian who invented basketball? Can you name three Christian athletes who came to the Lord during their professional careers? Do you know which Christian athlete died in the arms of Dr. James Dobson? At the age of five Michael Louthian traded his kindergarden books for the sports pages. His avid desire to know everything there was to know about sports and the sports world never waned. Throughout his life Louthian has soaked up every piece of information he could get his hands on. Through asking questions he was able to uncover answers. In his second book 30 Christian Impact Athletes, Louthian now asks questions about illegal gambling in basketball and steroid use in baseball. As a student of history, Louthian followed professional sports beyond the usual statistics. He absorbed all the available information about the athletes in what has become, during his lifetime, an industry of gigantic proportions and an influence of unprecedented depth on our society. Professional athletes increasingly indulge in behavior that we would never condone in our children or in ourselves. Yet they are given a pass when their behavior is illegal or boarish. Louthian spotlights the lives of thirty Christian athletes who have had a major impact on society and sports. Jackie Robinson, Branch Rickey, Meadowlark Lemon, Albert Pujols, John Wooden, Tim Tebow, and Kurt Warner are among the athletes featured. Each of the thirty athletes travelled a unique road to their acceptance of the Lord Jesus Christ. Louthian challenges Christian fans to stand tall against the secularists who believe that Christianity should be limited to the religion and obituary columns. It is a thought provoking and entertaining read for avid sports fans of all ages.

John Starks: My Life chronicles John Starks' miraculous ascension from going undrafted after one just one season at Oklahoma State to his stellar career with the New York Knicks. Fans remember his memorable career in New York, capsuled by two remarkable, yet polar-opposite games. The highest of highs would be his triumphant dunk over Horace Grant and Michael Jordan, known in Knick history as "The Dunk," in the waning moments of the 1993 Eastern Conference Finals against the Chicago Bulls which put the Knicks up two games to none. Starks also holds nothing back about his 2-for-18 shooting drought in Game 7 of the 1994 NBA Finals against the Houston Rockets, which was the last real chance the Knicks have had for a championship since 1973. Patrick Ewing, Charles Oakley, Anthony Mason, Mark Jackson, Michael Jordan, Reggie Miller, Pat Riley

and Jeff Van Gundy are all seen anew through Starks' clear, no-nonsense eyes. Starks also describes his other NBA stops in Golden State, Utah and, briefly, Chicago. In addition, Starks names his all-minor league-to-NBA team, his all-heart-on-the-jersey team and his all-shooting team. Starks' autobiography describes the star's rise from life in inner-city Tulsa, Oklahoma. As a child, John did not escape trouble, stealing from stores and later cars with a friend who later died in a high-speed car crash with the police. He credits his escape and rapid rise to the influence of his older brother, Monry, who watched the majority of John's NBA career from behind bars, and the single mother that raised John and his siblings. John later attended four junior colleges before making his breakthrough and playing Division I college basketball at Oklahoma State. Monry, before he was sent away to prison, was the one who drove John, toughening him up in savage games of one-on-one and convincing John that he had more in him than just being a drug dealer like himself and playing basketball on the playgrounds of Tulsa. It was Monty who called Leonard Hamilton, the then-coach of Oklahoma State, and got Coach Hamilton to come down and watch John play at Oklahoma Junior College, resulting in a scholarship. Finally, it is a book about family and Starks moving back to Tulsa and raising his family of three children (John Jr. is an aspiring basketball player with a dream to make it to the NBA like his father) with his wife, Jackie, and helping Monty after his release from prison in 2000. Monry now lives in a house on John's property, adjacent to John's house, and has helped him find employment. The two are avid golf partners who, although they constantly fight over everything from Monry rooting for OU and John for OSU, share a bond forged on the hardscrabble streets of North Tulsa.

This encyclopedic listing of every man who played on or coached the New York Knicks from the team's inception in 1946 to the present is jam-packed with details on everything from a player's careers statistics to his height, weight, and jersey number. Included is information about a player's life before and after the NBA, college career, and dates of birth and death. Relive the glory days of Bill Bradley, Walter "Cylde the Glide" Frazier, Patrick Ewing, Bob McAdoo, Dave DeBusschere, and all the other Knickerbockers in this comprehensive guide to Madison Square Garden's most famous denizens.

The opening chapters of this encyclopedic treatment deal with the Newberry County's formation, early settlers, soldiers, notable citizens, government institutions, and social and economic development, while later chapters are given over to biographies, cemetery inscriptions, family reminiscences and folklore. At the heart of the book is a long section devoted to genealogies of pioneer families of Newberry County.

How did a boy who grew up in remote areas of Montana and North Dakota go on to become the National Basketball Association's all-time winningest coach? Phil Jackson's life story that took him from small town U.S.A. to the pinnacle of NBA coaching success is anything but conventional. Known as the Zen Master for imbuing his coaching style with the tenets of Eastern philosophy, Jackson's always employed a unique approach to basketball both on and off the court. Popularizing a system of play called the triangle offense, Jackson won multiple championships including an unprecedented three "three-peats" while coaching Michael Jordan's Chicago Bulls and Kobe Bryant's Los Angeles Lakers, resulting in 11 championships over 20 seasons. That's more than any coach in any of North America's major professional sports. This biography explores Jackson's one-of-a-kind keys to Hall of Fame success that enabled him achieve uncommon triumph in an unparalleled two-decade coaching career.

Whether he's attending a Bruce Springsteen concert the day after visiting Michael Brown's grave, or discussing public displays of affection at a Carly Rae Jepsen show, he writes with a poignancy and magnetism that resonates profoundly. In the wake of the nightclub attacks in Paris, he recalls how he sought refuge as a teenager in music, at shows, and wonders whether the next generation of young Muslims will not be afforded that opportunity now. While discussing the everyday threat to the lives of black Americans, Abdurraqib recounts the first time he was ordered to the ground by police officers: for attempting to enter his own car. In essays that have been published by the New York Times, MTV, and Pitchfork, among others—along with original, previously unreleased essays—Abdurraqib uses music and culture as a lens through which to view our world, so that we might better understand ourselves, and in so doing proves himself a bellwether for our times. "Funny, painful, precise, desperate, and loving throughout. Not a day has sounded the same since I read him." —Greil Marcus, Village Voice

Joseph F. Lamb (1887–1960) composed with enthusiasm and was influenced by a variety of sources, all kinds of music, cultures, traditions and the everyday. Although he is considered one of classic ragtime's "big three"—along with Scott Joplin and James Scott—he did not fit the usual profile. He was musically self-taught, held a corporate job, and composed in his spare time, yet wrote piano rags Joplin enthusiastically championed and returned to composing and well-deserved recognition long after the end of the ragtime era. This biography focuses on his music and his world, and is drawn from family and research sources. It includes a foreword by two of Lamb's children.

A collection of Missouri biographies features the life stories of Count Basie, Walt Disney, Redd Fox, Betty Grable, Mark Twain, T.S. Eliot, Laura Ingalls Wilder, Langston Hughes, Daniel Boone, George Washington Carver, Harry S Truman, and other state luminaries.
