Oxford Learner's Pocket Dictionary A pocket-sized reference to English vocabulary OUP Oxford

This title presents an in-depth treatment of over 22,000 words, phrases and meanings. Informed by the 85-million-word Oxford Corpus of academic English, which includes a broad range of textbooks and academic journals from 26 different disciplines within the subject areas of humanities, social sciences, life sciences and physical sciences. Corpus-based examples show words in genuine academic contexts and help students use words correctly.

Up to 12 synonyms given for each of 5,000 key words Different terms are clearly marked, for example, British/American, formal/informal, approving or disapproving 100s of notes help identify the exact differences between pairs of synonyms Patterns and collocations help learners use the synonyms in context

The New Oxford Picture Dictionary and its components provide a complete, four-skills language development program. The program is: * Practical - a wide range of topics introduce new words in their most common context. * Easy to use - vocabulary items are presented without ambiguity or the need for translation. * Versatile - the Dictionary itself and its components have unlimited applications. * Flexible - the Dictionary can be used alone or with its components.

Oxford Learner's Pocket Word Skills can help students increase their vocabulary in one compact easy-to-use book. How? It includes a wide range of subjects covering every day topics as well as topics such as the natural world, communication technology and society. There are also sections on Writing in English, Written exam questions and Spoken English. It includes most of the topics commonly found in course books but teaches a range of vocabulary that course books just don't have space for. The 3,500 words and phrases presented in the book correspond to CEF levels B1-C2 with particular emphasis on B2 and C1 making it ideal for students who are preparing for IELTS, Cambridge English: First or Cambridge English: Advanced. The popular red 'cover and check' card allows students to test themselves on new vocabulary by making the new words in the tables, or glossary, disappear. They can then try to remember the word or phrase that is being defined. They can do this as many times as they like until they are sure they have learned it.

Up-to-date vocabulary with new words from British and American English Oxford 3000™ keywords (the most important words to learn in English) are marked with a key symbol Corpus-based examples show how words are used Lots of help with irregular forms and spelling Explains thousands of idioms and phrasal verbs
