Fitoor is story of an impractical guy, who learns to become practical after mishandling some superpower. He accidentally gets able to know and manipulate others' mind, but eventually he uses it against self only.

If Albert Kim has learned one thing in his tragic adolescence, it's that God (probably a sadistic teenaged alien) does not want him to succeed at Bern High. By the end of sophomore year, Al is so tired of humiliation that he's chosen to just forget girls and high school society in general, and enjoy the Zen-like detachment that comes from being an intentional loser. Then he meets Mia Stone, and all the repressed hormones come flooding back. Mia, his co-worker at the Bern Inn, is adorable, popular, and most intimidatingly, the ex- long-term girlfriend of Ivy-bound, muscle-bound king of BHS and world class jerk, Ryan Stackhouse. But -- chalk it up to the magic of Al's inner beauty /DIV-- by the end of a summer vacuuming hotel rooms and goofing off together, he and Mia are officially "something." Albert barely has time to ponder this miracle before the bomb drops: Ryan has been diagnosed with cancer, and he needs Mia's support, i.e. constant companionship. True, he's lost weight and he's getting radiation, but that doesn't make him any less of a jerk. And to Albert, it couldn't be more apparent that Ryan is using his cancer to steal Mia back. With the whole town rallying behind Ryan like he's a fallen hero, and Mia emotionally confused and worried for Ryan, Al's bid for love is not a popular campaign. In fact, it's exactly like driving the wrong way on a five-lane highway. DIV In this desperately funny novel, David Yoo tells an authentic story of first love, and therein captures the agony, the mania, the kicking and screaming that define teenage existence.

WHY SHOULD I READ THIS BOOK? I have heard a lot of stories of dissatisfaction among the Sarkari Babus be it a peon, a bank manager or a top ranked IAS officer. Many of them will complain of job stress, work load and an ever mounting pressure on their head. And eventually they face lack of time for personal and family life, or any other leisure time. They get bored, gets sad, depressed of their daily routine and tries to find an escape! These people eventually become a typical Sarkari Babu, the ones who are not so friendly to deal with if we happen to go to them, in their office. Some of them are so fed up that they do not work as per requirement, a few of them finds odd ways to earn, they may get into corruption or less productive in ability. All such activities sometimes bring a bad picture to the reputation of some public sector enterprises. A typical Government job aspirant would either ignore these aspects or is actually ignorant of it. He/she will only focus on grabbing that particular job. After getting it they work for a couple of years with zeal and enthusiasm but eventually become a Sarkai babu! And a viscous cycle of unhappiness in the world is continues. Let us pause here and ask, Why? Why it happens? What went wrong? Why the people who were once mad after a particular service/job are unhappy now when they have it in reality? What is the solution? How to find a way out? ? The book resembles true life experiences. If you, or any of your concerned, is preparing for Competitive exams like Banking, Civil Services, SSC CGL and other Government Jobs, it is worth reading. ? If you are planning to quit your existing job for the sake of preparing for a Government job, Caution! ? If you believe Competitive Exam is the only way to get a job! Wrong track dude! Read this book. ? If you believe you are getting job security in Government job and for this you ought to have one, You actually ought to read this book. ? If you think only a Government job will earn respect in a society ask a peon in a Sarkari office! Let me clarify that initially our thoughts may differ but soon you will start to co-relate and justify the journey of my career which has not ended, but started.

You will start to agree that blindly going after a government job preparation is the worst thing a person can do to torture oneself. No offence with anyone although. This is just for the people who have the potential to channelize their energy somewhere else but is there preparing for a wrong field.

Songs written for Disney productions over the decades have become a potent part of American popular culture. Since most Americans first discovered these songs in their youth, they hold a special place in one's consciousness. The Disney Song Encyclopedia describes and discusses hundreds of famous and not-so-famous songs from Disney films, television, Broadway, and theme parks from the 1930s to the present day. Over 900 songs are given individual entries and presented in alphabetical order. The songwriters and original singers are identified, as well as the source of the song and other venues in which it might have been used over the years. Notable recordings of the song are also listed. But most important, the song is described and what makes it memorable is discussed. This is not a reference list but a true encyclopedia of Disney songs. The book also contains a preface describing the criteria for selecting the songs, a glossary of song terms, a list of all the Disney songs and their sources, a songwriter's directory in which every song by each composer/lyricist is listed, a bibliography, a guide to recordings and DVDs of Disney productions, and an index of people and titles.

On the life and achievements of businesswomen of India; collective biographical sketches.

Jag kommer från ett land som skapades vid midnatt. När jag nästan dog var klockan strax efter tolv på dagen. När talibanerna tog kontroll över Swatdalen i Pakistan vägrade en ofattbart modig flicka att låta sig tystas. Malala Yousafzai stred för alla flickors rätt till utbildning, vilket tisdagen den 9 oktober 2012 var nära att kosta henne livet. Malala var på väg hem då skolbussen stoppades av beväpnade talibaner. Hon sköts i huvudet på nära håll och det var få som trodde att hon skulle överleva. Sexton år gammal har Malala blivit en global symbol för fredliga protester och kampen för kvinnors rättigheter, och den yngsta någonsin att nomineras till Nobels fredspris. Malalas kamp har tagit henne på en osannolik resa, från en otillgänglig dalgång i norra Pakistan till FN:s korridorer i New York. Jag är Malala är den sanna berättelsen om en familj som tvingats bort från sitt hem av terrorister, om kampen för flickors rätt till utbildning, och om Malalas föräldrars obevekliga kärlek till sin dotter i ett samhälle som främst värdesätter söner. Det är en berättelse som visar att en enda persons röst kan förändra

världen.

Dear Reader! I am Anurag Pandey. I am a writer, a poet and also a passionate programmer. I like writing codes. I use coding to automate required tasks in my office, which have reduced particular tasks completion time from hours and even days to just a few minutes. I remember, once an official from Income Tax Department of India had said to me that you are an Excel expert. I had replied him that I am not an Excel expert. I only use logic in anything, if I can. We know that Excel is a very powerful application. But we only use it for simple data entry purpose. We do some plus-minus and a little multiplication etc. and all that. Let's do little more with Excel. Let's play with excel. "Let's Play with Excel" has 51 Macros written by me. They are useful programs having original VBA coding. If you are Computer Student/ VBA Learner/ Excel Professional then you would find this book really helpful. I would like to tell you about a few programs of this book here. One of its' Macro is able to give you ready to print Invoice with auto retrieving data. Another Macro is able to take details of entire class (any number of students and subjects) and to provide ready to print Mark-sheet of each student along with Result Sheet of all students at one place. Another Macro provides you simple and easy format to enter data of one or many Invoice/s at once. Then another Macro creates JSON file from that data, which you can use for bulk upload for generating E Invoices. Other two Macros are able to Encode/Decode data of your Excel sheet. Using this you can encode your data and can send the encoded Excel file on Mails etc. At the other hand the file can be decoded only if you have provided the Macro for decoding the sheet. You can very easily make changes in those Macros and then you would have unique Macros for encoding and decoding your Excel sheets. Another Macro of this book has the ability to check two sheets and to list all those cells which have dissimilar data along with both the data. Using this you can check for changes in two sheets having similar data with some expected/ unexpected/ accidental/ unknown mismatches. Some Macros from this book would help you to learn and do manipulation of data your way, some other would help you to exercise logic and programming and some other would help you to learn a little about Excel and VBA. With great excitement and expectation, I request you to check "Let's Play with Excel" and provide your invaluable feedback. ANURAG PANDEY

Love story of a careless boy, who turned a boon into a curse and became a living hero ghost.

Dear Friends, This book is collection of 5 short stories. They are unique, thriller and exciting. Those stories can be addressed as Science Fiction for teens, Story of Rebels, Supernatural interactions, mental emergence, paranormal activities etc. You will love the book. – Anurag Pandey Excerpts from stories: Muhnochwa (The face scratcher)

Many rumors are spread in the area about Muhnochwa. Someone says Muhnochwa is a human-eater animal. Someone says Muhnochwa is a ghost or monster. Someone says he has seen Muhnochwa. Someone says he has fought with Muhnochwa. But none knows the truth that who the hell is Muhnochwa? From where does he come? And where does he go? Due to Muhnochwa, air of fear and suspiciousness is there in the village. Villagers avoid going out after Sunset. They doubt on each other whether he is Muhnochwa? Police is helpless because they still couldn't catch Muhnochwa. Day by day villagers' fear is increasing... But there was a person in the village who was unafraid of Muhnochwa. He was drinker Sadanand. He remains intoxicated 24 hours. In fact Sadanand is happy with Muhnochwa because due to Muhnochwa, he is getting his wine easily. If some villager has some urgent work outside in night, he sends Sadanand or takes Sadanand with him. And in back Sadanand gets wine. Thus Sadanand was taking benefit from Muhnochwa. But there were some more peoples, who were taking benefit of Muhnochwa. Like Pandit Sahiram; He was afraid of Muhnochwa, but sells 'Muhnochwa safety amulet' to innocent villagers. Like moneylender Dukhiram; He begins to take double interest on given loan as 'Muhnochwa risk tax' saying that if the person is killed by Muhnochwa, then his money will be lost. Local thug Gulathi and Lukathi begin to plunder peoples by appearing in Muhnochwa's getup. Police station in-charge Sherkhan too begins to take benefit of Muhnochwa. Sherkhan is too much scared of Muhnochwa. Brave constable Madhaw tries to encourage him. But Sherkhan exits police station in the name of catching Muhnochwa and comes to village with Madhaw. And he starts troubling villagers by demanding chicken, mutton, wine and money saying that he will free them from Muhnochwa's terror. Madhaw heartily wants to catch Muhnochwa. But Sherkhan doesn't allow him to go because Muhnochwa can kill sharekhan in alone. Shivanand 10 years old boy Aditya was in the crowd at that moment. Shivanand's words had set fire inside him too. Aditya picked a stone and hit the police officer. To see this small rebellion, smile had appeared on Shivanand's bleeding lips. Shivanand says that he won't commit the mistake again, what he had committed 15 years back. He will fight his battle, he will continue his mission, but this time he won't become the hero, he will make the citizens heroes. If there is one hero, he can be ruined easily. But if all citizens become the hero, then none can defeat them. The Truth Sometimes, when he sits for meditation, he feels that something reaches on the back part of his brain by passing through his back bone from lower end and suddenly he feels a flow of some peculiar energy in to his whole body and his flowing existence towards meditation just returns back with a great frustration. Antas Till now Antas had reformed innumerous thieves, goons, loafers, pickpockets, murderers, terrorists... Till now Antas had reformed innumerous corrupt police officers, corrupt public servants and corrupt politicians... and had made them honest, dutiful and loyal to country. Antas' hypnotism was so wonderful that if once someone comes in his clutch; it was quite impossible for him or her to return without reformation! And it was the

reason that criminals, corrupt officers and corrupt politicians were scared even of Antas' shadow! Because they were fearful that if once Antas got the chance to hypnotize them, he will reform them. And nobody wants to get reformed! U R MINE...! Joy fears from a lizard but if there is a danger on Julie, he can fight with dinosaur. He can't go alone in darkness but for Julie he can visit the graveyard in no-moon night. He can't face the local baddy but for Julie he can challenge mafia. Yes, he loves Julie... He keeps trying to express his love to Julie but fails. And Julie, she uses to call Joy 'Gogo'. ...Buka can't face the power of monks. And so is with Joy. Buka says to Joy –'I know that you want to rescue Julie from Monks because you love her. And you know that I want to rescue Julie from Monks so that I would take her to jungle and would murder her for my beloved Maya... Later you can try to rescue Julie's life from me, but our initial mission is one –'to rescue Julie from monks'. We can't do it individually because being a ghost, I have limitations, and being a human, you have limitations. But if we are together, we can do it.' Joy agrees.

"Di mana Malala? Yang mana di antara kalian yang bernama Malala? Katakan atau kutembak kalian semua!" Teriak seorang laki-laki bersenjata di bus yang membawa pulang anak-anak sekolah di Mingola, Pakistan. Dalam hitungan menit, timah panas bersarang di kepala dan leher Malala. Peristiwa tersebut menggegerkan dunia. Malala Yousafzai, gadis usia 14 tahun ditembak oleh Taliban, kelompok Islam garis keras, karena kegigihannya memperjuangkan pendidikan untuk anak perempuan di Lembah Swat, Pakistan. Buku ini merangkum berbagai informasi mengenai sepak terjang Malala, jauh sebelum insiden penembakan hingga perjuangan terkini si Bunga Jagung. [Mizan, Qanita, Malala, Woman, World, Education, Children, Indonesia]

Excerpts from the book I saw the main entrance getting a sharp shock. That moment only in the cow house I saw the cow jumping. All the doors from the

main gate to the storeroom were pushed one by one by some invisible power. In the end the storeroom door got a big shock. A wave of air entered the storeroom. The cow had given birth to a calf a few days ago. That calf was tied in the storeroom only. The calf was sleeping. But as the wind entered the room, the calf woke up and started bouncing. We brother and sister got scared. Then only I felt the breeze rotating around my neck with some pressure. I got scared if Guru Akhandanand wants to strangle me? \*\* \* She screamed, 'I can't leave A.P.! A.P. is mine only! A.P. is mine! A.P....' I said, 'Say this to that lady!' She said fearfully, 'No! She is scary!' I asked, 'Does she have long teeth or scary face?' She said 'No! She is beautiful. But I am feeling fear from her.' I asked 'How old is that lady?' She said 'About 25 years. She is asking me to leave A.P. Call A.P. I have to go to my A.P.' \*\* \* Then she looked at me and gave me a crooked and mysterious smile. Her face expressions were not of her. It was strange, cold and scary. Doesn't know why I felt a wave of fear running down my spine. I controlled myself and asked to her, 'What happened? Su? (I used to call her Su, short form of Sunita).' She smiled in a way like she was making fun of me. Then she said in a friendly but stone hard, ice cold way, 'You won't be able to save her. I will kill your SU drop by drop like this only.' \*\* \* It was Tuesday night. I was practicing meditation by sitting in Padmasana posture. Suddenly I heard anklet's sound around me, like some female came and was walking around me. Without getting scared I kept practicing meditation in the same posture. But after some time anklet's sound came closer to me as if she had stepped on my meditation carpet. Means she had come too near to me. Yet I kept meditating. Then only doesn't know from where a gust of breeze entered the room despite closed door and windows and began to hug me. The touch of the breeze was very ecstatic and it was giving me very deep pleasure. I found myself unable to keep the breeze away from me. \*\* \* Again I felt myself laid in the jungle. Then only I saw an angry wolf stepping towards me, towards my head from 10 feet distance. Wolf's stepping on the dry leaves was producing rattling sound. That wolf came near my left ear and growled fiercely. A chilled vibe ran through my whole body. The wolf started entering my body through my left ear hole. \*\* \* That night in my half-waken sleep and half-waken dream, suddenly I felt weightlessness. A strange beautiful girl whose colour was unfair and skin was glowing, came in my dream. Her presence was not unfamiliar at all. She took my hand in her hand with love and flown off holding my hand and took me on a high branch of a tree in an unknown place. In my dream, I was realizing that she was a ghost. But yet I had no feeling of fear. I was totally fearless and I was feeling oneness with her. She poured a lot of love on me through her silent presence. When I woke up in the morning, I was feeling deeply contented and light. \*\* \* He stepped on the road. As he reached the middle of the road, he became hundreds of feet tall. He was moving towards the field in his front. That field ended to some localities. Just in three steps he crossed the long field, entered some locality and got out of my eyes. \*\* \* Life is the most precious gift which the God has given us just for free.
