

Stop The Chaos Workbook

This is book 2 of the Shadow Reapers MC trilogy. Book 3 is available everywhere now! She was a means to an end... until the chaos erupted. She's not used to being my property. But she doesn't have much time to learn. Because I need a baby as soon as possible... And she's the one who's going to give me my son. MARK Who needs an old lady when I can have a new girl every night? Not me, that's for damn sure. But Nora is making me lose my appetite for other woman. And now, I don't care if she's an outsider in my world... Because she's the perfect pawn. Nora is the kind of fresh blood I need to put a baby in the cradle and rally the club around my leadership. She's gorgeous, tempting, and fierce. But she won't come without a fight. NORA He bought me. I still can't believe I'm saying those words. The Shadow Reapers MC president forgave my scumbag boyfriend's debts in exchange for claiming my body... And I never had a choice in the matter. Now, I'm a biker's b*tch. Stuck by his side, chained in his bed. Whatever he says is law. But his latest command is going too far. I'm just an innocent girl. So I can't... I won't... Bear the bad boy's baby.

Every thought you have, has an emotion attached to it. Everything's made of energy and it's vibrating in your subconscious mind with a certain frequency. What we can do to help ourselves to calm our mind, to be more focused and concentrate better, is to remove the emotion that's attached to the thought. When we actively use a tool that's especially created for a certain purpose, we tend to move the thoughts and emotions from our unconscious to our conscious mind and release emotions that have been attached to the thought or matter. This stress management book help you to calm your mind down with easy tips and tricks. The Book of Chaos and Harmony will help you to make your dreams come true and to organize your projects. Secret weapon for better concentration ? Are you striving for balance in your life? Do you want to forget constant tiredness and stress? People with entrepreneur spirit are often overbooked with numerous ideas and thoughts making their lives hectic and uncontrollable. The book aids you to concentrate on important things instead of stress and hurry. You will also notice the right angles of matters and go to them much faster. This stress eliminating book is a marvelous tool for life and stress management. You cannot totally avoid stress but a right kind of life management will help you towards lightness and peace of mind. A more peaceful mind allows you to be more present at this moment. The book will lead you where you have always wanted to go, where you can be free of responsibilities and conflicts of creativity. Who is this book for? The answer to the question is quite a cliché – it's for everybody. The Book of Chaos and Harmony helps the young and old, you and me. The book is meant to enhance ideas and absolutely anyone can use its benefits. Cannot concentrate? The book helps you to focus. It's a tool for an imaginative but stressed person as well as an enterprising and creative person who's always in a hurry, who's got all kinds of things going on and don't have enough time for much anything. The book is recommended for apathy, depression or when you need that certain spark to your life. Or if you just want to enjoy being organized. It helps to get rid of anxiety, unnecessary hastiness and insomnia. The book also is said to improve self-knowledge and being therapeutic. This book is the right choice when you want to advance in your personal

Online Library Stop The Chaos Workbook

life, get stress reduced and clear the ongoing chaotic situation in your life. The relief brought by the book is long-lasting: if you use it regularly, it continues to create balance and peace of mind. A functional workbook and a tool for managing stress + an easy-to-follow guidance. It's a great gift! When you puzzle over a question "What to buy for a gift?", this practical book is an appreciated and a delightful present. The Book of Chaos and Harmony is the best possible gift especially to yourself, but also for a friend who's too busy, a loved one, a relative or anyone that wishes for happiness and balance. No more insomnia! This book will help you to get sleep "What a wonderful book! I was able to calm my nights down almost straight after I started using this book. I keep the book on my bedside table. If I have any trouble getting sleep during the night, I clear my mind by writing down my thoughts in the book. Simply knowing that the book is there, will help. If something bothers me in the night, I just write it down in the book. This way I don't have to worry all night long or try to remember my thoughts in the morning. I use the book 4-7 times a week, mainly during nights. It has reduced my stress 80% and calmed my sleep a lot, which has also balanced my day time. Likewise, I'm no longer afraid to go to bed and try to fall asleep, because I know the rescue is on my bedside table should I feel stressed or anguished. I'm so excited about this book! It's unbelievable but I haven't felt this relaxed for years. The book is my best bedtime pal and a reliable friend I can tell everything to." – Minna, 40 years old About the book This 60-page book is practical and provides plenty of pages for both notes and remarks. The size is a little smaller than A4 so it fits easily in a folder or a bag. - A separate chapter & how to control chaos - A separate chapter & how to organize your thoughts and ideas - 20 pages on the Chaos side for you to fill in - 20 pages on the Harmony side for you to fill in

The new world is probably coming faster than we think. If you're afraid of what awaits you, buy this coloring book and relax in the privacy of your home. Get away from the news from the world, social media and all this chaos! Click the cover to reveal what's inside! About this book: 36 full pages drawings, Size: 8.5" x 11" (21.59 x 27.94 cm) Printed on high quality solid white paper, Each design is printed on one side of the page to avoid bleed through, Easily color with crayons, colored pencils or colored pens, Beautiful designs appropriate for all ages. Put a SMILE on your friend face! Scroll up and BUY NOW! This book is written for product design, software development, graphic design, and UX professionals with a focus on creating measurably better user experiences. If you want to design solutions to meet business goals and delight your users, you can look to this resource which covers the following areas: Creating and documenting goals, strategies, objectives, and tactics Defining or refining personas based on your measurable objectives (OKRs) Creating and iterating on scenarios based your prioritized personas A team approach to defining the product and roadmap to address critical use cases Team based divergent ideation and solution exploration Team based convergent solution definition Wireframing potential solutions for rapid research and iteration Using quantitative and qualitative methods to understand usage and test with users Exploring approaches to taxonomy and information architecture Using psychology and human factors to drive your design decisions Developing performant, accessible, maintainable experiences Using analytics to measure the results and inform the next iteration How this process differs based on

the size of the company or team that is employing it

The Nonlinear Workbook provides a comprehensive treatment of all the techniques in nonlinear dynamics together with C++, Java and SymbolicC++ implementations. The book not only covers the theoretical aspects of the topics but also provides the practical tools. To understand the material, more than 100 worked out examples and 160 ready to run programs are included. Each chapter provides a collection of interesting problems. New topics added to the 6th edition are Swarm Intelligence, Quantum Cellular Automata, Hidden Markov Model and DNA, Birkhoff's ergodic theorem and chaotic maps, Banach fixed point theorem and applications, tau-wavelets of Haar, Boolean derivatives and applications, and Cartan forms and Lagrangian. Request Inspection Copy

The discovery of chaotic motion in low-dimensional systems raised the question: What kind of thermodynamics describes a system if it is neither ergodic nor Hamiltonian or possesses a finite number of degrees of freedom? This Monographs is the first to discuss this question.

Lucas asked me out. Not like a date or anything. He wants to spend time with me outside of school because he's a real friend. He isn't even embarrassed by my frumpy clothes. But I am, and Lucas can tell. He spends money on me, so much money, "Because you deserve to feel good about yourself." I can't stop staring at him. "Melly Mel, you really gotta stop looking at me like that." I blink. "L-like what?" "Like you want me to kiss you." Lucas makes me feel things I don't understand, and I can't stop thinking about what he said until he takes me too close to the slums of El Sol for dinner. There's a white rabbit outside, a street performer in a costume, but my compromised brain doesn't know the difference. I escape inside the restaurant and pub and lose Lucas. When I try to call him, an upbeat techno tune cuts through the ambiance and I turn my head to see the White Rabbit. With one hand, the White Rabbit seals my mouth. With the other, he grips my nape. "I'm going to die" is the only thought running through my head.

An essential self-help workbook and DVD for people who aren't sure if they have a problem with chemical use, those who have tried to stop using, and those who are in early recovery.

Simplified Chinese edition of 12 Rules for Life: An Antidote to Chaos

This is a five book, fantasy adventure and Sci Fi series. The dream vacation that might just turn deadly... Seventeen-year-old Casey Smith can't wait to embark on her summer vacation, not least because she's finally shed her tomboy image, and now heartthrob Mike seems interested. What starts out great, with lots of flirting, taking her a step closer to winning her crush's heart, soon turns into her worst nightmare. Tossed out to sea during a freak storm, Casey is washed up on what she presumes to be a mysterious tropical island that's on no map she's ever seen. With creatures that should've been extinct thousands of years ago, Casey fights for survival. Can they find a way to escape and get back home? Trying to make sense of the horrors of World War II, Death relates the story of Liesel--a young German girl whose book-stealing and story-telling talents help sustain her family and the Jewish man they are hiding, as well as their neighbors.

This is book 4. A curse is unleashed upon the land. When the vampires can't feed, they are ravenous with hunger. A war breaks out between the vampires and the wolves, and raging chaos ensues. Can Sophie stop it before all is lost?

Retributor Jeremiah Brandt has already riled up the zombie cavalry and he's still angry over losing a huge bounty on a clan of serial killers. So when the Helena Cattlemen's Association asks for help with a werewolf he jumps at the chance to take it on. There are a few little kinks to work through first before he can get down to the hunt--starting with zombies, a revengeful sister, and cold bath water. But the hunter soon becomes the hunted as Brandt discovers that his past mistakes have come back haunt him.

Archeologist Jack Stanton is the sole survivor of an expedition into the Himalayan mountains gone horribly wrong. Against all odds, he returns with proof of an advanced civilization that walked the Earth before mankind. A civilization of immense power, and incredible evil...

Preparing for the book tour promoting his findings, he's haunted by visions and attacked by a religious zealot warning of the dangers of his discovery. Dangers he doesn't take seriously until a supertanker runs aground in New York and the catastrophe leaves him stranded in an infernal dimension. Could it actually be Hell? And if Jack is in Hell, what forces are now running amok on Earth?

The Power of Mindfulness Discover how to handle the chaos in your life calmly and peacefully. Learn how to use mindfulness to reduce stress and anxiety, control your reactions, and manage your everyday challenges in a kind and loving way. You can feel peaceful and calm even when life is messy and complicated. Become mindful and discover the power you have in the present moment to improve your well-being, increase feelings of peace, and enjoy a simpler, more joyful life now.

Struggling to unite his nations for the battle that would release the Dark One into their world, Rand al'Thor is unaware of

Poetry Jam veterans Staceyann Chin, Suheir Hammad, Marc Bamuthi Joseph and Kevin Coval. Roundtable discussions and essays presenting hip-hop in theatre, graphic design, documentary film and video, photography, and the visual arts. Total Chaos is Jeff Chang at his best: fierce and unwavering in his commitment to document the hip-hop explosion. In beginning to define a hip-hop aesthetic, this gathering of artists, pioneers, and thinkers illuminates the special truth that hip-hop speaks to youth around the globe. (Bakari Kitwana, author of *The Hip-Hop Generation*)

How to trade the markets by integrating Chaos Theory with market sentiment In the first edition of *Trading Chaos*, seasoned trader and psychologist Bill Williams detailed the potential of Chaos Theory-which seeks to make the unpredictable understandable-in trading and it revolutionized financial decision-making. The Second Edition of *Trading Chaos* is a cutting edge book that combines trading psychology and Chaos Theory and its particular effect on the markets. By examining both of these facets in relation to the current market, readers will have the best of all possible worlds when trading. Bill Williams, PhD, CTA (Solana Beach, CA), is President of Profitunity.com, a leader in the field of education for traders and investors. Justine Gregory-Williams (Solana Beach, CA) is President of the Profitunity Trading Group and a full-time trader.

The authors wrote this book for one purpose: to teach family members and friends of people with substance abuse issues a specific set of skills that will help them survive the stress loving an addict creates in their lives. The authors share with the reader ways to deal with the fear, anger, helplessness, and the conflict they may experience in their attempts to both help the addicted family member and protect themselves from them as well. Most books in this genre focus on how to "fix" the addict. They assume that getting the addict into a treatment program is the final solution to the problem. The authors of this book know from experience that there is no quick fix for addiction. Recovery from addiction is a lifelong project. For this reason, this book focuses on (1) providing accurate and useful information about addiction; and (2) teaching the specific skills that are essential for family members to learn and practice. What do family members need to know, what do they need to do, and how can they go about learning and doing those things? This book systematically explains how to create and maintain healthy boundaries, how to work effectively as a team, how to find and use appropriate support, how to improve communication with the addicted member and other family members, and other valuable skills that lead to a better quality of life. This book is for families to help themselves over a lifetime, regardless of whether their addicted member ever gets help, gets help and relapses, or gets help and stays clean and sober. The skills that enable the family to improve its quality of life in the face of addiction turn out to be the same skills that provide the addict an optimal environment for recovery. The emphasis throughout is on you, the family member or friend of the addict. When addiction enters a family, the whole family embarks on a journey. This book is a unique guide

for individuals or groups who want to learn the skills and behaviors essential for negotiating that path with the best chance for a positive outcome.

Create the business you want without sacrificing the lifestyle you deserve The majority of new entrepreneurs (and even those with a little more experience) are finding themselves trapped, controlled, and consumed by their own businesses. They are struggling just to keep their businesses running, let alone actually growing their companies and experiencing the success they anticipated. Conquer the Chaos speaks to you as a small business owner by making sense of the overwhelming demands on your business and providing a twenty-first century recipe for success with sanity. With engaging stories, quotes, and examples, Conquer the Chaos leads you through the six strategies you can incorporate to bring order to your business today. Find the money, time, and freedom in entrepreneurship that inspired you in the first place Successfully juggle customers, prospects, management of employees, marketing, sales, accounting, and more Get from just surviving to growing your company and experiencing success Conquer the Chaos gives you the no-nonsense, ready-to-go guide that gets your business exactly where you want it to be.

A boy seeks his rightful revenge. Does he go too far? The Traveler's League is summoned to stop him before he brings fire and chaos to the magical worlds of the timepiece. Will they stop him? Or has he grown too powerful? They created this monster, and now they have to choose: bend to his will and make peace, or go to war and risk losing it all. Join Toby, Christian, and Hoops as they lead the Traveler's League into its and most daring and dangerous quest yet.

This is book 5, and the conclusion of this series. Things take more of a science fiction spin as Casey and Mike board a mothership to save Jack, and disable a powerful weapon that will destroy every human being in the world. A group of aliens bent on revenge plan to live on Earth and start a new life...once all mankind is wiped out. Can Casey save the ones that she loves?

This is book 3 and the finale of the Shadow Reapers MC trilogy! She was a means to an end... until the chaos erupted. She's not used to being my property. But she doesn't have much time to learn. Because I need a baby as soon as possible... And she's the one who's going to give me my son. MARK Who needs an old lady when I can have a new girl every night? Not me, that's for damn sure. But Nora is making me lose my appetite for other woman. And now, I don't care if she's an outsider in my world... Because she's the perfect pawn. far. I'm just an innocent girl. So I can't... I won't... Bear the bad boy's baby.

Moms: Stop comparing yourself to others. Stop striving to meet false expectations. Stop thinking your performance dictates your worth. For far too long mothers have been beaten down by the law of "do better" and "try harder." The burden of "getting it right" threatens to crush weary souls who desire to serve their families faithfully. Christ in the Chaos brings comfort to conflicted hearts that are starved of grace and longing for the freedom in Christ the Bible promises. In this book, Kimm Crandall emphasizes the importance of the gospel and how Christ's life, death, and resurrection change every aspect of motherhood. From finding our identity in Christ and understanding God's grace to taking off the mask of acceptability and dealing with the comparison crud, this book will free you to serve your family knowing that his love for you does not change based on your performance. Christ in the Chaos is a "must read" for every mother who longs for what is seemingly impossible: peace and freedom in the midst of her chaos.

A powerful new way to navigate today's unprecedented market conditions "Bill Williams' pioneering application of chaos theory to the financial markets is leading technical analysis into the twenty-first century and beyond. New Trading Dimensions presents a complete, highly original, and intriguing trading method with clear, detailed illustrations, and challenging practice pages. Bill's wisdom, technical expertise, and skillful teaching style make this a revolutionary must-have new book for stock and commodity traders." -Tom Bierovic, Product Manager for User Education, Omega Research, Inc. "Bill hits the nail on the head. The essence of successful trading is a combination of knowing who you are and allowing the market to reveal its secrets. Bill Williams has the gift of explaining these concepts better than anyone I know. This is a compelling work that belongs in every trader's library." -George Angell, author, Profitable Day-Trading with Precision "Bill Williams is one of the great educators of our time. He freely shares his knowledge and experience in this inexpensive book. This book is required reading for all market technicians. The principles are sound as we have tested them with our software." -John Hill, President, Futures Truth, Co. "Bill Williams has always been an excellent teacher, taking complex terms and concepts and translating them into a clear, commonsense approach to trading. This book provides a complete trading program that reflects Bill's years of wisdom and experience in the marketplace." -Darrell Jobman, Editorial Consultant and former Editor-in-Chief of Futures magazine As today's market environment continues to change dramatically, more and more traders are discovering that traditional forecasting methods-pure technical analysis and fundamental analysis-just do not work. Sending out contradictory messages, these opposing schools of thought leave investors baffled about the future direction of the market, and consequently, at a loss as to how to tailor their trading systems. As a result, many practitioners have now turned to a new forecasting "cocktail" that combines traditional charting methodologies with chaos theory and human psychology. In this groundbreaking book, Bill

Williams, a seasoned trader at the forefront of this dynamic new approach, explains exactly what it is, how it works in current stock and commodity markets, and how to use it to your advantage. Based on human nature rather than the vagaries of the market, the new trading dimension works on the premise that we trade not the market, but our own belief system. By assessing what your personal biases are, you can determine how they influence your ultimate success-or failure-and then adjust your trading strategies accordingly. Written by an expert in the field who has been featured in Futures, Worth, Success, and other prominent publications, *New Trading Dimensions* takes the latest in scientific knowledge about human behavior and applies it directly to the fields of stock and commodity investing and trading. With straightforward guidelines, it shows you how to adopt the right attitude toward the behavior of the market and use the right tools (ATTITOOLS) for profitable trading. Packed with practice exercises, specific applications to different types of investments, and a detailed review of important market signals, here's where you'll learn how to:

- * Discover what the market wants and align your own beliefs with the direction of the market
- * Apply chaos theory to trading and investing
- * Use Williams' "Market Alligator" for analyzing and profiting from the markets
- * Employ a multidimensional trading program that includes such tools and techniques as fractals, oscillators, AC signals, psychological zones, and balance lines
- * Exit trades in a timely fashion to reap high returns

Drawing on the author's more than forty years of experience as both a successful trader and seasoned trainer, this invaluable guide offers a breakthrough method that has proven its ability to turn investors into consistent winners.

The groundbreaking psychology and self development book with step-by-step plans to achieve emotional health and clarity. "Emotional Chaos to Clarity is a masterwork. Be inspired by the possibilities it opens." —Jack Kornfield, Ph.D., author of *The Wise Heart* Despite our best-laid plans, life is difficult, and we sometimes experience anger, anxiety, frustration, and doubt. This emotional chaos can negatively affect the way we live our lives. Yet, Phillip Moffitt shows us that by cultivating a responsive mind rather than a reactive one, we can achieve a state of emotional clarity that allows us to act with a calm mind and a loving heart. Drawing on both Western psychology and Buddhist philosophy, Moffitt's step-by-step exercises help us to:

- Know and act from our core values at all times
- Gain wisdom from both pleasant and unpleasant experiences
- Free ourselves from the past
- Achieve a peaceful inner life, even if our outer life is filled with challenges

This is book 4. Things take more of a science fiction spin as Casey and Mike board a mothership to save Jack, and disable a powerful weapon that will destroy every human being in the world. A group of aliens bent on revenge plan to live on Earth and start a new life...once all mankind is wiped out. Can Casey save the ones that she loves?

Like many of us, Bob Miglani felt overwhelmed and anxious. He worried constantly about his job, his finances, and his

family. It was a chance invitation to India, the land of his birth, that finally freed him. India, Miglani writes, is “the capital of chaos”: over a billion people living on one-third the space of the United States. And it was there that he learned to let go. The secret is to stop trying to control the chaos and focus on what you can control—your own actions, words, and thoughts. Move forward, make mistakes, trust your intuition, find your purpose. In this inspiring book, Miglani shares the experiences and encounters that helped him finally get it. What happens when you find yourself in an Indian village with no money and a plane to catch? How could an educated urban woman agree to a marriage after two dates? What keeps a rural health worker motivated despite the enormous need and such limited ability to help? What does trying to catch an insanely overcrowded bus teach you about perfection? Embracing the chaos, Miglani found, “leads us down paths we never would have walked on...It brings out strengths we never knew existed inside of us.”

Stop the Chaos, a comprehensive, practical guide, identifies the telltale signs of addiction, offers suggestions for living alcohol-or drug-free, and teaches the skills necessary for healthy thinking and living.

The Wheel of Time® is a PBS Great American Read Selection! Now in development for TV! Since its debut in 1990, The Wheel of Time® by Robert Jordan has captivated millions of readers around the globe with its scope, originality, and compelling characters. The Wheel of Time turns and Ages come and go, leaving memories that become legend. Legend fades to myth, and even myth is long forgotten when the Age that gave it birth returns again. In the Third Age, an Age of Prophecy, the World and Time themselves hang in the balance. What was, what will be, and what is, may yet fall under the Shadow. On the slopes of Shayol Ghul, the Myrddraal swords are forged, and the sky is not the sky of this world; In Salidar the White Tower in exile prepares an embassy to Caemlyn, where Rand Al'Thor, the Dragon Reborn, holds the throne--and where an unexpected visitor may change the world.... In Emond's Field, Perrin Goldeneyes, Lord of the Two Rivers, feels the pull of ta'veren to ta'veren and prepares to march... Morgase of Caemlyn finds a most unexpected, and quite unwelcome, ally....And south lies Illian, where Sammael holds sway... TV series update: "Sony will produce along with Red Eagle Entertainment and Radar Pictures. Rafe Judkins is attached to write and executive produce. Judkins previously worked on shows such as ABC's "Agents of SHIELD," the Netflix series "Hemlock Grove," and the NBC series "Chuck." Red Eagle partners Rick Selvage and Larry Mondragon will executive produce along with Radar's Ted Field and Mike Weber. Darren Lemke will also executive produce, with Jordan's widow Harriet McDougal serving as consulting producer." —Variety The Wheel of Time® New Spring: The Novel #1 The Eye of the World #2 The Great Hunt #3 The Dragon Reborn #4 The Shadow Rising #5 The Fires of Heaven #6 Lord of Chaos #7 A Crown of Swords #8 The Path of Daggers #9 Winter's Heart #10 Crossroads of Twilight #11 Knife of Dreams By Robert Jordan and Brandon Sanderson #12 The Gathering Storm #13 Towers of Midnight #14 A Memory of Light By Robert Jordan Warrior of the

The Nonlinear Workbook provides a comprehensive treatment of all the techniques in nonlinear dynamics together with C++, Java and SymbolicC++ implementations. The book not only covers the theoretical aspects of the topics but also provides the practical tools. To understand the material, more than 100 worked out examples and 150 ready to run programs are included. New topics added to the fifth edition are Langton's ant, chaotic data communication, self-controlling feedback, differential forms and optimization, T-norms and T-conorms with applications.

Teens make mistakes. Sometimes fatal ones. In today's world, parents and educators are often baffled about how to impart values and discuss the virtues of conscientiousness, rational thinking, and empathy into wired, stressed, and over-stimulated teens! Through an engaging and relatable story, "Taming CHAOS" teaches a step-by-step process for making good decisions. "Taming CHAOS" encourages a healthy conversation with teenagers on the process of "decision-making," acknowledging that the decisions and choices they face are valid and worthy of careful consideration. Whether you are a teacher or study group discussion leader, "Taming CHAOS" offers a unique process of "decision making" to teenagers and young adults. To remain grounded as a teenager requires a level of clarity and iron restraint that most teenagers simply don't have; thus, many times not always making good decisions or choices in their individual best interest. This Leader's Discussion Guide & Workbook, is an excellent resource and compliment for any teacher or study group discussion leader instructing teenagers on the decision making process. The Workbook is well organized and formatted for each chapter of "Taming Chaos," providing a short summary, concepts section, and discussion questions which encourage students to drill down on the chapter concepts, employing a mix of concrete & abstract questions. We get it. Teachers already have to juggle so many balls in the air. That's why we created simple, succinct and well-written lesson plans for each chapter. These lesson plans will provide a "ready-made" solution for teaching and growing a student's understanding of decision making.

Galen's life will never be the same again. What he thought would be a leisurely voyage on a ship will now become the most challenging experience he's ever had. Together with his brother and friends, they must save the Items of Chaos before an evil force unleashes them and destroys the world. The problem is, will they be able to do it?

The first three books in the Chaos series. Soul Cara Kelly's life is going nowhere when she's lured to a faery festival. There she sees darkness and magic, madness and lust, and she comes out the other side with new eyes and an

addiction to the fae. When the faery who saved her life returns to her, Cara knows there's something wrong. Two souls exist in one body, and both need her, but to help one, she'll end the life of the other. At first, her mind is made up, but both souls know how to charm her. As the days pass, it becomes clear that the faeries need a leader, and Cara finds herself sucked into a world where morals don't exist. The truth of her past is hidden in the magic, but all Cara needs to do is survive the king's coronation, then the fae will let her go forever. But that's not what she wants anymore, and it's getting harder and harder to tell the difference between a king and a half-blooded solitary fae. Cara's losing her way, and her heart, to the fae, but there's still her life, and her humanity, left to lose. Fade Cara Kelly should have left the faery realm now that it has a king to rule all, but nothing is that simple. The real king is trapped in the Fade, and Cara's journey is just beginning. Guilt-ridden by the fact Brendan's soul was sacrificed for hers, she's determined not to desert him after his one pure act of goodness. Time is running out; even if she makes it past all of the dangers of the Darkside, a shade might await her in the Fade. Running from enemy and friends alike, she sets out on a path that will lead headfirst into danger. Even if Cara makes it to the Fade, even if a goddess watches over her, she doesn't trust all of her companions, she still has to find a way home, and freeing Brendan could cause a war between the faeries she cares about. And all the while, Chaos grows unchecked. Queen Three kings. Two queens. One heir. Chaos will rule...
