Featuring seven hundred entries on more than 170 subjects, this comprehensive guide to collectables on both sides of the Atlantic combs the museums and private collections of Europe and the U.S. for stunning images.

When John McDonnell began his coaching career at the University of Arkansas at Fayetteville--choosing it over Norman, Oklahoma, because Fayetteville reminded him of his native Ireland--he could hardly have imagined that he would become the most successful coach in the history of American collegiate athletics. But, in thirty-six years at the university, he amassed a staggering resume of accomplishments, including forty national championships (eleven cross country, nineteen indoor track, and ten outdoor track), the most by any coach in any sport in NCAA history. His teams at Arkansas won the triple crown (a championship in cross country, indoor track, and outdoor track in a single school year) a record five times. This biography tells the story of the McDonnell's life and legacy, from his childhood growing up on a farm in 1940s County Mayo, Ireland, to his own running career, to the beginnings of his life as a coach, to all the great athletes he mentored along the way. A violent attacker is on the loose. His calling card: a

tattoo on his victims' skin. With no witnesses and no evidence left at the crime scenes, it will take all of the National Crime Agency's resources to track him down. At the head of the investigation, codenamed Operation Juniper, Senior Investigator Joanne Stuart knows that the clock is ticking. The time between abductions is decreasing and the perpetrator grows ever more brazen. She fears it won't be long before his assaults turn deadly. As the hunt closes in, Jo's already troubled personal life is put under further pressure. With danger closer than she thinks, just how far will Jo go to solve the case--and at what cost?

NEW YORK TIMES BESTSELLER "An ode to excellence. An inspiring read for every American." —Robert M. Gates An extraordinary journey behind the scenes of Arlington National Cemetery, Senator Tom Cotton's Sacred Duty offers an intimate and inspiring portrait of "The Old Guard," the revered U.S. Army unit whose mission is to honor our country's fallen heroes on the most hallowed ground in America. Cotton was a platoon leader with the storied 3rd U.S. Infantry Regiment—The Old Guard—between combat tours in Iraq and Afghanistan. At the height of the Iraq Surge, he carried the flag-draped remains of his fallen comrades off of airplanes at Dover Air Force Base, and he laid them to rest in Arlington's famed Section 60, "the saddest acre in America." He also performed hundreds of funerals for veterans of the Greatest Generation, as well as the Korean and Vietnam Wars. The Old Guard has embodied the ideals of honor and sacrifice across our nation's history. America's oldest active-duty regiment, dating back to 1784, The Old

Guard conducts daily military-honor funerals on the 624 rolling acres of Arlington, where generations of American heroes rest. Its soldiers hold themselves to the standard of perfection in sweltering heat, frigid cold, and driving rain. Every funeral is a no-fail, zero-defect mission, whether honoring a legendary general or a humble private. In researching and writing the book, Cotton returned to Arlington and shadowed the regiment's soldiers, from daily funerals to the state funeral of President George H. W. Bush to the Tomb of the Unknown Soldier, reliving the honor—and the challenges—of duty at the nation's "most sacred shrine." Part history of The Old Guard, part memoir of Cotton's time at Arlington, part intimate profile of the today's soldiers, *Sacred Duty* is an unforgettable testament to the timeless power of service and sacrifice to our nation.

Whitney Ainsworth has had a very tough year. First up was the very public divorce from an A-list actress, and then the third book in her popular suspense series bombed. She's got a chronic case of writer's block and feels like a fraud getting paid to give speeches about achieving success. After a particularly disastrous event, Whitney's manager suggests a romantic distraction might be in order. Gabriela Talbot never expected to hear back when she requested an interview with her favorite author—certainly not after the scathing review she'd given Whitney's latest book. She's thrilled when the opportunity arises. What happens next isn't what either expected, and although passions flare, Whitney is furious when she learns she's slept with the enemy. Their already rocky road to friendship—or something more—is complicated by family, Hollywood's expectations, and an ex-wife who's set to star in the film adaptation of Whitney's first book. Will they find their way to love or will insecurities and outsiders prove too much to overcome?
