When the space drama Battlestar Galactica debuted on ABC in 1978, it was expected to be the most popular new program of the year. Instead, it was attacked as a Star Wars rip-off and canceled after a mere 17 stories. The author acknowledges the show was full of dramatic clichés and scientific inaccuracies, but despite these shortcomings, Battlestar Galactica was a dramatically resonant series full of unique and individual characters, such as Commander Adama (Lorne Greene) and ace warrior Captain Apollo (Richard Hatch). The author contends that Battlestar Galactica was a memorable attempt to make science fiction accessible to mainstream television audiences. The brilliant work of artist John Dykstra brought a new world of special effects to network television. Battlestar Galactica also skillfully exploited legends and names from both the Bible and ancient mythology, which added a layer of depth and maturity to the weekly drama.

Every year in October, we celebrate National Breast Cancer Awareness Month. Celebrities, athletes, and politicians don the tiny pink ribbon as a reminder and means of support. However, often, the disease becomes the focus of all that pink instead of the women suffering. Cancer is a very human condition, and we should not forget. Photographer and poet Wendy Deneise has fought sickle cell anemia her whole life, and she has known women who battled breast cancer. By channeling her own pain and the pain of cancer sufferers she has known, Wendy put together a collection of photographs and poems intended to life up and inspire, even in the direst of physical circumstance. Every woman has strength, no matter what diseases steal away. The words and images of Wendy's collection strive to act as a reminder of this strength and inspire women to keep fighting whatever ails them, whether physical or mental. Inner strength can bring light to the darkest days, if only we hold on to hope and the beauty of the world around us.

Over the course of the next 12 days, Jeffrey discovered the heroic story of his brother's final hours.
