corporate boardrooms to exotic islands, yet happiness remains elusive. Overwhelmed by chaos and crises, their paths intersect on a journey of self-discovery and each makes a decision that transforms their lives forever. "Beyond the Last Horizon," based on principles of "The Secret," inspires readers to change what's not working in their own lives, and to imagine a destiny of their dreams.

About Raymond Williams represents the overdue critical acclaim of Williams' lasting influence and unbroken repercussions in critical thought. His writings have effectively shaped the ways in which people understand the complexity of the notion of 'culture' and many of the ways it has been taken up in scholarly practice.

Raymond Pace Alexander (1897-1974) was a prominent black attorney in Philadelphia and a distinguished member of the National Bar Association, the oldest and largest association of African American lawyers and judges. A contemporary of such nationally known black attorneys as Charles Hamilton Houston, William Hastie, and Thurgood Marshall, Alexander litigated civil rights cases and became well known in Philadelphia. Yet his legacy to the civil rights struggle has received little national recognition. As a New Negro lawyer during the 1930s, Alexander worked with left-wing organizations to desegregate

an all-white elementary school in Berwin, Pennsylvania. After World War II, he became an anti-communist liberal and formed coalitions with like-minded whites. In the sixties, Alexander criticized Black Power rhetoric, but shared some philosophies with Black Power such as black political empowerment and studying black history. By the late sixties, he focused on economic justice by advocating a Marshall Plan for poor Americans and supporting affirmative action. Alexander was a major contributor to the northern civil rights struggle and was committed to improving the status of black lawyers. He was representative of a generation who created opportunities for African Americans but was later often ignored or castigated by younger leaders who did not support the tactics of the old guard's pioneers.

This concise and penetrating analysis introduces students to the life and thought of one of the giants of twentieth-century French intellectual life. Portraying Raymond Aron as a great defender of reason, moderation, and political sobriety in an era dominated by ideological fervor and philosophical fashion, Brian Anderson demonstrates the centrality of political reason to Aron's philosophy of history, his critique of ideological thinking, his meditations on the perennial problems of peace and war, and the nature of conservative liberalism. This accessible study of Aron's thought and the thought of his contemporaries will enhance any syllabus for classes on modern and contemporary political thought.

"Raymond Williams: A Short Counter-Revolution amply demonstrates the continuing relevance of Williams's

analysis, from the early 1980s, to our current situation. After thirty years of neoliberalism his insights still read as freshly and as incisively as they first did. Jim McGuigan's new chapter explicitly extends the lines of continuity from then to now, in a persuasive and at times appropriately critical way. Williams's concluding chapter, Resources for a Journey of Hope remains as inspiring, and as necessary, as ever." - Simon Dentith, University of Reading "It's great that Towards 2000 is revisited. Jim McGuigan's preface to this edition and his remarkable up-dating chapter A Short Counter Revolution draw upon a formidable range of references to illustrate why this work is as fresh and insightful today as it was 30 years ago." - Derek Tatton, [www.raymondwilliamsfoundation.org.uk](http://www.raymondwilliamsfoundation.org.uk) 'Culture,' wrote Raymond Williams, 'is one of the most complicated words in the English language.' Ironically, the most important British writer on culture in the post-war period is also one of the most poorly digested among today's readers. Originally conceived as the sequel to his 1961 The Long Revolution, Williams' 1983 title Towards 2000 has been unfairly classified as a period piece. With the permission of the Williams Estate, the book has been re-entitled A Short Counter-Revolution – Towards 2000 Revisited, with noted Williams expert Jim McGuigan adding a chapter that updates the original with a survey of developments since its publication, particularly concerning the impact of neoliberalism, a phenomenon sighted early by Raymond Williams and named 'Plan X'. In this new edition, Jim McGuigan makes a totally convincing case to read the book as a contemporary classic. It remains an indispensable guide to: Power and inequality Class politics Post-industrial society Globalization The crisis in democracy

I love Kwanzaa and what it stands for. More than a holiday, Kwanzaa and the Nguzo Saba principles are a framework for Life! In this book, 7 Principles for Purposeful Living, the principles are offered as a way to bring clarity, purpose, passion and meaning to your life. This book will change how you see yourself and how you live your life. In 1966 Dr. Maulana Karenga created Kwanzaa, the first pan-African holiday. He said his goal was to "give African Americans an alternative to the existing holiday and give African Americans an opportunity to celebrate themselves and their history, rather than simply imitate the practices of the dominant society." The rituals of the holiday promote African traditions and Nguzo Saba, the "seven principles of African Heritage."

Treatment. As author of other New Thought classics such as *The Power of Decision* and *Science of Successful Living*, Dr. Barker richly exemplified the success he taught to many thousands. One of his more notable characteristics was his ability to speak plainly; and unlike so many of his peers, he was not afraid to be just a little bit outrageous.

Take advantage of this resource to effectively enhance your ability to exercise faith within life's decisions. Anthony L. Johnson PhD, author of *To Be Determined Director, Growing Through Life Experiences, Inc.*, Colleyville, Texas In *Life under Construction*, seasoned minister Kenneth Raymond utilizes biblical wisdom to help individuals with high-impact decision-making. With more than twenty years of experience in faith-based leadership, Kenneth Raymond encourages believers to follow the will of God and the influence of the Holy Spirit to improve decision-making. While portraying the decision-making process utilized to achieve the visions God provided to role models Adam, Abraham, Joseph, and other biblical figures, Kenneth Raymond teaches Christians how to: Close the door on negativity by eliminating errors in judgment caused by external influences. Understand how God continues to teach individuals how to employ their gifts and His strategies to reach their destinies. Seize the opportunity to develop new skills for long-term success. Learn how to maximize the power of God's word and the Holy Spirit to overcome obstacles in life. God's desire is that each of us lives our days in prosperity and our years in pleasure. *Life under Construction* aids the Body of Christ in moving forward in the plans of God by providing real answers to real problems.
