This book is made for those students who have the will to work hard. Being a tutor, I have had my handful of experiences in helping students in their preparation for their board examination--both academically and mentally. Students need to understand the importance of the time they invest and how they use this time to prepare, as well. If they are set in the right mindset and don't fear failure, all it takes is a motivational path to get going. This book values your time and makes the most out of it. It helps you prepare efficiently while covering all concepts. This book deals with a good number of questions and answers which are required for students to understand the concepts of Java. The questions are designed based on the ICSE board pattern. You can also get 100% results when you follow this book.
