Buckley Jr., Leo Strauss, and Eric Voegelin all published important works at this time, none of their writings would match the influence of Russell Kirk's 1953 masterpiece *The Conservative Mind*. This seminal book became the intellectual touchstone for a reinvigorated movement and began a sea change in Americans' attitudes toward traditionalism. In *Russell Kirk*, Bradley J. Birzer investigates the life and work of the man known as the founder of postwar conservatism in America. Drawing on papers and diaries that have only recently become available to the public, Birzer presents a thorough exploration of Kirk's intellectual roots and development. The first to examine the theorist's prolific writings on literature and culture, this magisterial study illuminates Kirk's lasting influence on figures such as T. S. Eliot, William F. Buckley Jr., and Senator Barry Goldwater -- who persuaded a reluctant Kirk to participate in his campaign for the presidency in 1964. While several books examine the evolution of postwar conservatism and libertarianism, surprisingly few works explore Kirk's life and thought in detail. This engaging biography not only offers a fresh and thorough assessment of one of America's most influential thinkers but also reasserts his humane vision in an increasingly inhumane time.

When the exemplary apostle got into the face of his converts, he bluntly held up his own life as the pattern for theirs. How risky is that? The purpose of this readable work with a modern twist is to discover how Paul viewed his divine commission and how he managed to survive incredible obstacles and hardships that threatened to undo him. What elements in the apostle's life made him the man he was? How does his life become the format of ours? What changes can we make to follow in his footsteps? This work serves as both an introduction to the apostle for those new to the Christian faith and as a healthy reminder for those who want to go deeper in their obedience to and service for Christ.

Lindsey met Paul Hunter when she was 21 and he was 18. When they married seven years later, Paul had become a golden boy in the world of snooker, dubbed "the Beckham of the baize," having won the Masters trophy three times, and attained a world ranking of number four, and Lindsey's happiness looked assured. But tragedy struck when Paul was diagnosed with a rare type of cancer, neuro-endocrine tumors in his abdomen. Aggressive chemotherapy appeared to work, and within six months Paul was competing in a major championship, with Lindsey cheering him on from the sidelines. More joy came when Lindsey gave birth to their daughter, Evie Rose. But

How did an old man's trip to the market to buy fish and vegetables lead to a chain of cause and effect events that would change the religious face of the world forever? Who was Paul of Tarsus? A fanatical Pharisee and ruthless persecutor of Christians and the newborn Christian doctrine? Or a being predestined by divine choice, who converted upon receiving the gift of the apparition of Jesus in a glorious vision at the gates of Damascus? This book will show the reader the greatness of Paul of Tarsus, a courageous, daring and sincere man, who repented for his radical posture that culminated in the stoning of Christianity's first martyr, Stephen, and who humbly undertook the accelerated revision of his ideas in answer to Jesus' call. Amid persecutions, in-mities, mockery, disillusionment, desertions by friends, stonings, beatings and imprisonments, he transformed his life into an example of labor through dozens of years of struggle by founding churches and rendering them assistance. At some point in our lives, we all receive Christ's call. What have we done? Paul and Stephen will enable the reader to understand how love erases a multitude of wrongs. In The Soundtrack of My Life, music legend Clive Davis recounts an extraordinary five-decade career in the music business, while also telling a remarkable personal story of triumphs, disappointments, and encounters with some of the greatest musical artists of our time, including Bob Dylan, Janis Joplin, Simon & Garfunkel, Barry Manilow, the Grateful Dead, Patti Smith, Whitney Houston, Carlos Santana, Dionne Warwick, Aretha Franklin, and Alicia Keys. Orphaned in his teens, Davis earned a full scholarship to New York University and another to Harvard Law School. He served as General Counsel of Columbia Records and, in a totally unexpected stroke of fate, became head of the company overnight. More surprisingly, he learned he had "ears," a rare ability to spot special talent and hit records. Those ears contributed to the success of three companies—Columbia, Arista, and J—where Davis discovered and developed more unique artists than anyone in the history of the music industry. What began on the

What if rather than only reading Philippians, we allowed Philippians to read us? A divorced man living in San Francisco is guided by his roommate deep within the Tenderloin neighborhood of prostitutes and transvestites, down a perilous sexual and spiritual path. Focusing on the metanarrative of exile and restoration Timo Eskola claims that a post-liberal, narrative New Testament theology is both consistent and explanative. Combining a post-New Quest perspective on Jesus with an eschatological reading of Paul, the author states that Jesus' temple criticism aims at restoration eschatology. Jesus starts a priestly community that expects God's jubilee to begin with Jesus' work, and proceed with the preaching of the new gospel. The reception of this message in the post-Easter church results in resurrection Christology that proclaims Jesus' Davidic kingship on God's throne of glory. Both Paul and Jewish Christian teachers later present Christ's community as a new temple where believers serve the Lord as priests of the new covenant. Furthermore, restoration eschatology provides a new basis for understanding Paul's contrast with the words of the law, and his teaching of justification.

UnBreakable: From Past Pain to Future Glory: Freedom from past pain is not a random act or period of time in waiting, but an intentional process of breaking chains. Scott Silverii shows that becoming unbreakable is a process of purification through the trials by fire to examine your life, your past and your desire to be free from the pain, shame and guilt that have plagued you for so long. Using biblical truths, Silverii walks you through an understanding of what caused the life wounds, what have been the destructive consequences and what is the answer to healing yourself so that you may live the blessed life God intended for you. From someone who has overcome the destructive trials of a pain-filled past, Silverii shares not only what he's lived, but what he knows to be the simple reality of life. Time does not heal all wounds. Let's commit to sharpening our iron for smashing the shackles that bind us.

The world would have you believe that marriage is just a piece of paper, a formality indulged by only the most traditional of couples. In Unbreakable Covenant however, Javonna Robinson outlines God's plan for marriage through the wonder of creation and the power of her own personal testimony. With full honesty and scriptural basis, she discloses how she ended up on a path that was never ordained for her life. Revealing, raw and sometimes heartbreaking, Robinson guides us through the valley of choices that led her into a marriage outside of God's covenant. That valley led through the woods and up a mountain where Javonna had several encounters with God. She heard His voice redirecting her, encouraging her, and comforting her. Unbreakable Covenant is a journey from heartbreak to happiness; from denial to confirmation; from misuse to appreciation; from rejection to covenant. Unbreakable Covenant is a guide to developing the love, faith and trust in God needed to hear His voice, and follow His call, right to the covenant He already has for your life. A covenant that is truly unbreakable...

"Preachers must understand the teaching techniques of parable and hyperbole, not to mention having a good background in systematic theology, in order to understand what the Bible's writers really meant.... But our responsibility is also to reduce the complexities of Bible study to such simplicities that our many listeners, ranging from busy young professional people to aging men and women of failing health to youngsters facing a variety of new temptations, can take away a saving word." (from the Preface) E. Carver McGriff provides the tools preachers need for their daunting task with some of the most timely and thought-provoking research on the lectionary texts ever made available. Included for each scriptural lesson in the lectionary are: - A listing of the applicable Revised Common, Roman Catholic, and Episcopal lectionary texts. - A description of the Psalm of the day. - A prayer for the day. - Commentary that is more than academic exegesis -- McGriff brings to the forefront those points in the lessons that relate most poignantly to our contemporary reality. - Suggested sermon titles for each of the three texts for each Sunday. - Themes and suggested directions for preaching on each text. - Several additional illustrations to enliven your preaching. "Known in the Indianapolis community as a preacher with extraordinary gifts, it is no surprise at all that this work by Carver McGriff brings remarkable insights to those who look for integrity in their preaching. Carver looks at the texts with a freshness that is sure to stimulate the thought process.... Careful use of these suggestions will bring serendipities to preacher and congregation." George H. Tooze Senior Minister, First Baptist Church Indianapolis, Indiana One of America's premiere preachers, E. Carver McGriff returned home after earning two Purple Hearts during World War II to earn a degree in business administration from Butler University. The lessons that we learn from the brilliance of the scholarship from Weimar Germany and its continued relevance to the contemporary scene define the spirit of the essays in this volume. Academic analysis is the beginning of institutional response to avoid reoccurrence of past political nihilism and catastrophe. This volume presents a predicate for such effective defense.
