Written during award-winning pediatrician Dr. Scott W. Cohen's first year as a father, this book is the only one to combine two invaluable "on the job" perspectives—the doctor's and the new parent's. The result is a refreshingly engaging and informative guide that includes all you need to know at each age and stage of your child's first year. Drawing on the latest medical recommendations and his experiences at home and in the office, Dr. Cohen covers everything from preparing for your baby's arrival to introducing her to a new sibling, to those three basic functions that will come to dominate a new parent's life. *Eat, Sleep, Poop* addresses questions, strategies, myths, and all aspects of your child's development. In each instance, Dr. Cohen provides a thorough overview and a simple answer or explanation: a "common sense bottom line," yet he doesn't dictate. The emphasis is on doing what is medically sound and what works best for you and your baby. He also includes fact sheets, easy-to-follow diagnosis and treatment guides, and humorous daddy vs. doctor sidebars that reveal the learning curve during his first year as a dad. Lively, practical, and reassuring, *Eat, Sleep, Poop* provides the knowledge you need to parent with confidence, to relax and enjoy baby's first year, and to raise your child with the best tool a parent can have: informed common sense.

This engaging lift-the-flap book shows children that all creatures have a place to poop: tigers in the jungle, kangaroos in the outback, and monkeys in the rain forest. With the aid of this playful book, your child will see that he or she has a place to poop, too. While reinforcing the concept of toilet training, *Where's the Poop?* gives children the confidence they need. THE SIXTH BOOK IN THE BICKY HAYDEN SERIES. BICKY AND HIS FELINE FRIENDS TAKE ON THE WILD WEST IN THIS EPIC JOURNEY.

Is there any expression of FRIENDSHIP as endearing as a dog voluntarily touching its nose to yours? When Colin Chappell contemplated the idea of adopting a dog, he did so warily, for he had seldom spent time with dogs and one of his primary canine experiences came when he was bitten by a German Shepherd at age fourteen. He certainly was unprepared for the complexities of caring for the seventy-five pounds of rescued, furry attitude he encountered in Ray. But perhaps what he was even more unprepared for were the emotions he would feel once Ray invited him to be his friend. *Who Said I Was Up For Adoption?* tells the evolving story of this adoption (though it remains unclear just who did the adopting). Funny, heartwarming, and emotional, Colin and Ray's story is really two stories, for part of learning to let an adopted dog into one's life is learning to see from a perspective other than your own. True to that knowledge the book is narrated from parallel, alternating viewpoints—Colin's and ... Ray's! All net profits from sales of *Who Said I Was Up For Adoption?* will be donated to the Oakville and Milton Humane Society, a remarkable organization that rescues and rehabilitates dogs (and many other creatures) and matches them with suitable, loving humans.
